## STEP 1: Organise Fabric

Before you start, you need to organise your fabric and pattern.

1. You can make a pattern of  $14 \frac{1}{2} \times 21 \frac{1}{2}$  cm.
2. Fold the fabric facing wrong sides, pin the paper pattern onto the layered fabric.
3. Cut it out with a 1cm seam allowance.

## STEP 2: Two pieces cut out

1. Fold 1cm at the top of both pieces and press
2. Hold the zipper using the zipper foot

## STEP 3: Sew around

In step 3 we will fold the fabric facing wrong sides, sew with a 1cm seam allowance, as shown in the picture.

## Sewn around

Sew the Fabric Zipper Case around with 1 cm sewing allowance, leave the zip halfway opened so that you can turn it inside out when it's done.

## Almost ready

Use an overlocker machine or zigzag stitch to make your Fabric Zipper case neater. This will stop the threads fraying off the fabric.
